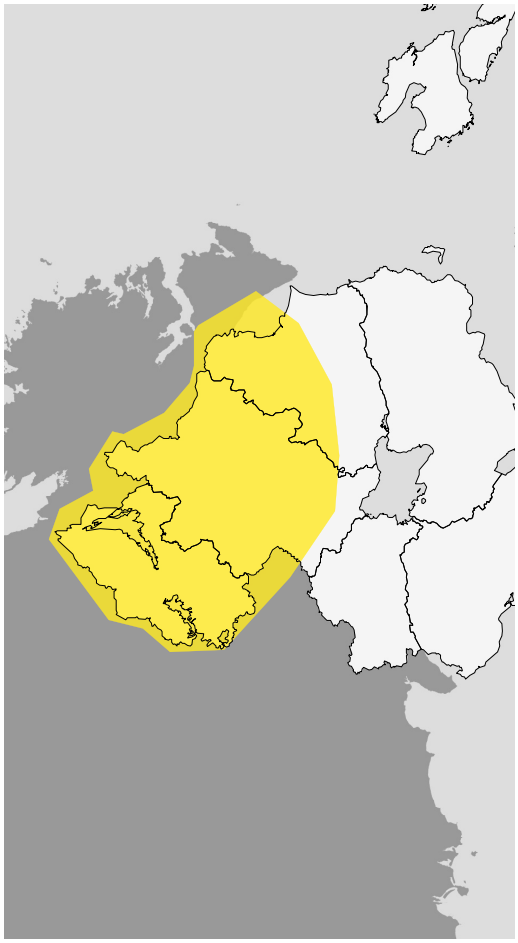
Yellow warning
Thunderstorm

Between
13:00 Fri 26 Jun 2020 and
22:00 Fri 26 Jun 2020



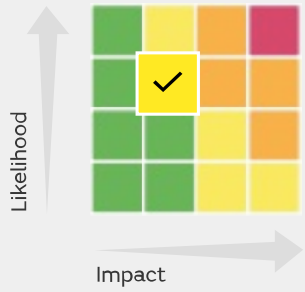
While some places avoid the worst, thundery showers could lead to flooding here and there.

What to expect

- Flooding of a few homes and businesses is possible, while lightning strikes may cause damage to a few buildings
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times
- Some short term loss of power and other services is possible

Further details

Heavy showers and thunderstorms are expected to develop across the western side of Northern Ireland this afternoon, lasting into the evening. Some places will miss the heavier downpours, but where they do occur 15-20 mm of rain could fall within an hour, a few places seeing 30-40 mm over a few hours.



Medium likelihood of low impacts

Issued at 11:10 Fri 26 Jun, 2020
